EAVPT 2012

12th International Congress of the European Association for Veterinary Pharmacology and Toxicology

July 8-12, 2012
Noordwijkerhout, the Netherlands

1st Announcement

www.eavpt2012.nl

INVITATION

Dear Colleagues and Friends,

It is my honour and pleasure to invite you to the 12th International Congress of the European Association for Veterinary Pharmacology and Toxicology (EAVPT), to be held in the Netherlands, July 8 – 12, 2012.

The Congress is organized by the European Association (EAVPT) and the European College of Veterinary Pharmacology and Toxicology (ECVPT). We are also happy to announce the cooperation of our sister-organisations from the United States, from Australia, and from many other countries.

As the Congress venue we have selected the *Conference Centre Leeuwenhorst in Noordwijkerhout*, offering excellent congress facilities as well as comfortable hotel rooms for all participants.

The Congress Website (www.EAVPT2012.nl) will keep you informed about the actual programme, workshops and key note speakers and all technical details. Registration and hotel reservations can be made through our office MCI-EuroCongress.

Looking forward meeting you in the Netherlands.

Johanna Fink-Gremmels

President of the EAVPT and chair of the organizing committee.

Arno H. Werners

EAVPT secretary and vice-chair of the organizing committee.

IMPORTANT DATES

- March 15, 2012** - Deadline for abstract submission
April 15, 2012 - Last day for Early Bird registration (reduced fee)

CONGRESS COMMITTEES

Executive committee

Chair

Johanna Fink-Gremmels (EAVPT president)

Vice-chairman

Arno H. Werners (EAVPT secretary)

Members

Arturo Anadón

EAVPT Senior Vice President

Maria Rosa Martinez-Larrañaga

EAVPT Treasurer

Getu Abraham

Organizer 11h EAVPT Congress

Quintin McKellar

ECVPT President

Pierre-Louis Toutain

ECVPT Senior Vice President

Linda Horspool

ECVPT Vice President

Patrick De Backer & Ciska Croubels

Workshop Organization

Stefan Soback

Chairman AAVM Conference

Scientific Committee

SCIENTIFIC PROGRAMME

Topics

The Congress is open for all contributions related to veterinary pharmacology, pharmacotherapy and veterinary toxicology. Submitted abstracts will be peer-reviewed and upon acceptance published in an electronic issue of the *Journal of Veterinary Pharmacology and Therapeutics* as well as in the Congress Proceedings.

Scientific sessions

- Pharmacodynamics, Targets & Intervention Strategies
- Pharmacokinetics, PD/PK Modelling & Populations
- Pharmacogenomics, Pharmacogenetics & Individualized Medicine
- Transcriptomics, Receptors & Novel Therapeutic Approaches
- Pain, Inflammation & Immunomodulation
- Antibiotics, Antimicrobial Resistances & Antibiotic Stewardship
- Natural toxins, Mycotoxicoses & Intervention Strategies
- Contaminants, Margin of Exposure & Threshold of Toxicological Concern

Workshops*

- Pharmacotherapy in the post-resistance era
- Risk assessment and risk-benefit analyses
- Biotransformation, CYP450 and genetic polymorphisms
- Regulatory affairs: minor species – minor indications
- Applications of nanotechnology in pharmaceutical sciences
- Meeting the mycotoxin menace: mycotoxin binders and mycotoxin ameliorating compounds

* Further suggestions for workshops are welcome to J.Fink@uu.nl or awerners@sgu.edu
